854	<b>Comments:</b> At 6:10AM on 2 May 2008, I was traveling south of E Street toward Constitution Avenue on 15th street NW at the District of Columbia maximum speed limit of 25 MPH when a GSA van license number G43-20153 sped past my left shoulder at almost double my speed. As a cyclist I found its behavior not only illegal but also terrifying. Over the years I have been threatened many times by GSA vehicles operating in an illegal manner. Please provide me a list of the internal controls that GSA has in place to ensure that its operators do not use GSA vehicles to engage in illegal activity or terrorize the American public. The van did not even have a 'How is my driving' sign on the back with a phone number that most employers use.
