Paperwork Reduction Act Statement - This information collection meets the requirements of 44 U.S.C. § 3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget (OMB) control number. The OMB control number for this collection is 3090-0310. We estimate that it will take 120 minutes to read the instructions, gather the facts, and answer the questions. Send only comments relating to our time estimate, including suggestions for reducing this burden, or any other aspects of this collection of information to: U.S. General Services Administration, Regulatory Secretariat Division (M1V1CB), 1800 F Street, NW, Washington, DC 20405.

This compliance questionnaire is used in conjunction with the Federal Surplus Personal Property Donations Program. This program is a Federal financial assistance program administered by the U.S. General Services Administration, a Federal Agency. As a recipient, your organization signed a nondiscrimination assurance statement agreeing to conduct your programs and activities in compliance with Federal nondiscrimination laws. Those laws are the following: Title VI of the Civil Rights Act of 1964, as amended; Age Discrimination Act of 1975; Section 504 of the Rehabilitation Act of 1973, as amended; Title IX of the Education Amendments Act of 1972; and Federal Property Management Act of 1949, as amended.

Generally, the aforementioned laws provide that no person in the United States shall, on the ground of race, color, national origin, sex, disability or age, be subject to discrimination under any program or activity receiving Federal financial assistance. Federal agencies that provide financial assistance are responsible for ensuring that recipients of Federal assistance operate their programs and activities in a nondiscriminatory manner. Thus, GSA's implementing and enforcement regulations for these laws are located under the Code of Federal Regulations (CFR) at 41 CFR 101-4 et. seq; 41 CFR 101-6.2 et. seq; 41 CFR 101-8.3 et. seq; and 41 CFR 101-8.7 et. seq. Pursuant to these laws and regulations, your organization must keep records and submit compliance reports to GSA for the purpose of determining your organization's compliance.

Your organization's responses to this questionnaire will be used by the GSA's Office of Civil Rights (OCR) to help determine if your organization is in compliance with these laws and regulations. In order to analyze this information, OCR personnel will have access to this information. OCR will retain this information for four (4) years from the time of receipt.
