Good morning Beau,

Per our discussion yesterday we have reached out to CORT regarding the request of a partial return of the furniture. They don't see a problem picking up next Friday March 12th and would need an exact quantity of items before the end of business this Friday March 5, 2021 for scheduling and quoting purposes. We will also need the details related to access onto the property as well as a point of contact for that day to provide to the drivers.

Items needed and/or confirmed

Quantity & Description (i.e. 5 desks, 2 chairs)

Point of contact for pick up date (name & phone #)

Property access instructions and/or restrictions

Pick up date confirmed (Tentative date of March 12th)

Please note there will be a \$250 pick up fee and the revised rental agreement prices will be adjusted based on the quantity of items to remain with a current contract expiration of July 20, 2021.

Please let me know if you have any questions or concerns.

We were given the okay to purchase the GoToMeeting subscription with the appropriated funds.

Does your email serve as approval to go ahead with this order of \$14/month plus any applicable taxes for 6 months?

Subject: Biweekly Memo for Payroll Due

Good afternoon Beau,

Per the instructions in the Outgoing Transition Staffing Informational Overview that was provided, GSA will require a biweekly memo to report staffing time.

GSA will require that the Transition Team designee provide a biweekly memorandum identifying those employees who are required to be compensated for work performed during the pay period and should list the days for which the employee should be paid. This memorandum needs to be submitted to GSA no later than 12:00PM on the last “Time Card Certification Date” noted on the 2021 Payroll Calendar. This is generally every other Tuesday identified with a yellow pentagon on the calendar and changes with holidays as noted on the calendar. This memorandum is required for audit, accounting and record keeping purposes.

A sample memorandum can be found on page 8 in the attached document.

Please let me know if you have any questions.

Can you please submit for the pay period 1/17/21 - 1/30/21 no later than COB Monday.

Beau ---

I wanted to follow up on a few items.

1. Comcast is having a project meeting Thursday afternoon so I hope to have a better date for connectivity on Friday.
2. Want to check that your Stamps.com and UPS accounts are active and you are able to access. Do you want to add funds to your Stamps.com account? We can add funds so you can use it at any time.

3. Stationary purchase is being processed. Will let you know when that is complete and an estimated delivery date.

Thank you, Kathy

The rent for the entire space would be approximately \$260,000 for 6 months. If we reduce to only 4A, the rent for 6 months is \$171,000 about \$89,000 less.

Thank you, Kathy

Kathy, thank you for including me, I wanted to weigh in that we would like to 4A and NOT 4B (which is right next to the VP's personal office). That should help with centralizing cable. Additionally, we do not need connectivity for the gift storage/filing room. We can use 10 mobile conference tables and we can use those for desks and boxes for chairs as far as I care. We just need what we can get the quickest. Thank you for your amazing help. Des

Beau ---

I'd like to follow up on the transition space at One Potomac Yard and the Transition Office in Florida.

Correspondence Office

1. I've attached a revised drawing of the space. The entire space is 9224 USF. If we eliminate 4A -- the space reduces to 6063 USF. I'm having an estimate of the rental costs developed now and will forward once completed for both sizes.
2. I have 2 questions on the drawing -- one can the 3 office be moved closer to 4B and does the file room require connectivity. We are trying to eliminate or reduce cabling costs and issues that require additional work and costs.
3. I have located 20 conference tables in the ROB where I'm sitting. Do you want these 20 delivered or 10. I can also have the bench seating for Desiree and Madison with pedestals delivered as well. Plus desk chairs -- how many desk chairs would you like? I can also have a ;locking file cabinets delivered - how many would you need? I believe we have whiteboards and other screens -- will inventory tomorrow.
4. Executive office furniture we will probably need to get on the visit tomorrow.
5. I'm having office supplies that are in stock delivered on Wednesday. We will order what we don't have and I'll see when that delivery will arrive.
6. We will also look at Franconia warehouse for the shelving needed for the mailboxes.
7. IT Requirements:

- 8 GSA loaner laptops with Microsoft Word
- 2 Multi-functioning Printers
- 1 Desktop --- Erik will need specs for the printer
- 1 Large TV
- 3 Small TVs for the offices
- If we need cable service we will need to purchase.
- Need to discuss the other software needed with Erik to purchase licenses.

Transition Office

1. Written requirements for the transition office and the permanent office -- identify revised direction.
2. Written release that OPOTUS is giving up 136 Woodbridge -- will need this in writing for the file so that the space can be released to (b) (5)
3. Discuss the GSA process to lease space at Mar-a-Lago, if that is determined to be the long term solution.
4. Discuss financial obligations, reimbursement, and potential costs for change in requirements in accordance with the MOU.

Sorry, this is such a long email. Wanted to put in writing what we need to discuss and finalize. Can we meeting this afternoon around 4 pm? Kaitlyn will send an invite and you can let us know if that time works for you.

Thank you, Kathy

- Good to go on the mentioned blocks at One Potomac Yard.
- Yes, could we please purchase the 7 keyboards and mice for the workstations down here? No need for docking stations, I believe that we will be able to connect them via USB cabling.
- And yes, could we please use the 136 Woodbridge Address?

One small request – moving forward, could you guys use my (b) (6) email as opposed to my (b) (6)? Just want to be sure I don't miss anything!

Signed Agreement and Financial Summary

OCCUPANCY AGREEMENT
Between
GSA TRANS OUT PRES (4728)
And
GENERAL SERVICES ADMINISTRATION

AVA09142	Draft	Version:	4	Date Last Modified:	28-Jan-2021
VA0907ZZ		LVA01718			

GSA TRANS OUT PRES (Code 4728) will occupy 4,478.50 usable (5,353.04 rentable) square feet of space and 0 structured parking spaces and 0 surface parking spaces at ONE POTOMAC YARD (VA0907) located at 2777 Crystal Dr, ARLINGTON, VA, for a period of 1 months commencing on or about 01/20/2021.

GSA TRANS OUT PRES (Code 4728) will pay the General Services Administration rent in accordance with the attached page(s). The rental will be adjusted annually for operating cost.

GSA TRANS OUT PRES (Code 4728) will pay the General Services Administration additional rent for prorated share of joint use space associated with this location, if any.

Additional/reduced services are shown on the attached Occupancy Agreement Financial Summary.

Mandatory Clauses**Promoting Efficient Spending****Reduce the Footprint**

The Office of Management and Budget Memorandum, "Promoting Efficient Spending to Support Agency Operations" issued on May 11, 2012 and Management Procedures Memorandum issued on March 25, 2015, have established a Reduce the Footprint policy for executive agencies. GSA TRANS OUT PRES is responsible for making sure their space request is consistent with any applicable square foot reduction targets and can contact TotalWorkplace@gsa.gov for help developing agency-wide space design standards that optimize their space usage.

Federal Specific Mandatory Clauses**Financial Terms**

While this Occupancy Agreement (OA) addresses financial terms that cover multiple fiscal years, the parties agree that unless otherwise specified: The tenant agency may relinquish space upon four (4) months notice. Thus, at any future time, the tenant agency's financial obligation can be reduced to four (4) months of rent, plus the unamortized balance of any tenant improvements financed through PBS, plus any rent concession not yet earned. Any free Rent or other concession given at the beginning of the occupancy term must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS. The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations. Any free Rent or other concession given at the beginning of the occupancy term (for

OA #: AVA09142 OA Status: Draft Version: 4 Loc Code: VA0907ZZ

all occupancy types) must be allocated on a pro-rata basis over the entire OA term, and the unearned balance repaid to PBS.

The tenant's financial obligations for years beyond the current year do not mature until the later year(s) are reached. Thus, there is no requirement that the tenant agency certify that current year funds are available to defray future year obligations.

The tenant's future years obligation to pay Rent is subject to the availability of funds, but the tenant agrees to make a good faith effort to meet its obligations as they arise.

Federal Construction

In the case of Federal construction, the parties agree that PBS is responsible for providing the funds necessary to acquire land (if appropriate), design and construct the building shell, and fund the tenant agency's tenant improvement allowance. The tenant agency is responsible for any tenant improvement costs in excess of the tenant improvement allowance. The parties further agree that savings or cost over-runs on the acquisition of land or the design and construction of building shell will not result in increases or decreases in the tenant allowance amount, except in the case of prospectus level projects, where bids for the construction of the shell are over the approved budget. In this case, it is permissible to lower the tenant allowance in order to increase the shell budget, but only with approval of the tenant agency. The tenant agency can appeal to the PBS asset manager in cases in which the agency's assigned tenant improvement allowance is inadequate to provide basic functionality for the space.

Building Services

Building services to be provided are outlined in the PBS Pricing Desk Guide. Additional or upgraded services beyond those identified are provided by PBS on a reimbursable basis. Charges for certain recurring reimbursable services may be billed on the PBS Bill. Recurring charges for overtime utilities, enhanced custodial services, mechanical O&M HVAC, mechanical O&M Other and additional guard services are eligible for billing on the PBS Bill provided the tenant agency has been designated as a "participating agency". The charges must be initiated by the tenant agency and renewed annually. The recurring RWA processing fee will be assessed against each service billed.

Federal Rent Charges

Federal rental charges will consist of a shell rent plus amortized tenant improvements, if applicable. There may be additional charges for operating expenses, security, joint use, parking, and other space items such as antennas. In 2017, GSA transitions to 10-year rates for occupancies in buildings where new appraisals are available. OAs will be transitioned to a 10-year rate as the current shell rate terms expire. The shell or "as is" rent will be reset every 10 years. For OAs in a building without a new 10-year appraisal, the shell rate or as is rate will continue to be set for periods up to but not beyond 5 years. These OAs will transition to the new 10-year rate no later than FY22 as their current rate terms expire. In the case of buildings priced on a "Return on Investment" approach, the rent attributable to the original shell improvements will remain level for the duration of the OA. If additional capitalized shell replacements or improvements are made, the Shell Rent rate will be adjusted every 5 years to reflect the additional investment. Charges for operating expenses, joint use space, parking, antennas and security may be adjusted on an annual basis.

Obligation to Pay Rent

The Tenant agency's obligation to pay rent for the space governed by this OA commences when both of the following occur: the space is substantially complete and operationally functional. Occupancy and rent start will be coordinated with the Tenant.

1. The space is ready for occupancy of personal property, typically the substantial completion date. Substantial completion is signaled by PBS's acceptance of the space as substantially complete in accordance with the general construction contract documents. "Substantially complete" and "substantial completion"

OA #: AVA09142 OA Status: Draft Version: 4 Loc Code: VA0907ZZ

mean that the work, the common and other areas of the building, and all other things necessary for the Government's access to the premises and occupancy, possession, use and enjoyment thereof, as provided in the general construction contract, have been completed or obtained, excepting only such minor matters as do not interfere with or materially diminish such access, occupancy, possession, use or enjoyment

. PBS will offer to an authorized representative of the Tenant the opportunity to participate in a walk-through of the space prior to final acceptance of the space as substantially complete by PBS. The authorized representative of the Tenant will make himself or herself available so as to not delay the walk-through of the space. The authorized representatives of PBS and the Tenant will itemize any defects and omissions (D&Os, or "punch list") of the construction project that will need to be corrected prior to final contract payment. Provided that the D&Os are minor matters not materially diminishing use of the space, the authorized representative of PBS, acting on behalf of the Government and its Tenant, will determine substantial completion.

2. The space is operationally functional. Operationally functional means that the building systems included in the general construction contract must function and GSA-provided building-specific safety and security features must be operational. Related space that is necessary for a Tenant to function due to workflow adjacencies must be complete before rent commences

For large projects that entail phased occupancy of the Tenant's space, rent will commence on the individual blocks of space when they are substantially complete and operationally functional. The blocks will be added to the Agency Space Assignment (ASA) incrementally. In the case of phased occupancy with separate ASAs (example, different Agency/Bureau codes), the rent start date for each ASA will occur when the space associated with it is substantially complete and operationally functional.

If there is a substantial punch list for the space that would interfere with the Tenant's full access, occupancy, possession, use and enjoyment of the space, and the Tenant chooses to move in anyway, GSA will negotiate a rent discount with the Tenant while the punch list work is being completed. If after hours work is required, GSA will ensure that adequate security is provided while the contractor is in the Tenant's space.

Once the above 'substantially complete' and 'operationally functional' requirements have been met, rent will commence. GSA does not provide tenant agencies a grace period prior to rent commencement to accomplish the physical move into the space or to allow for the installation of personal property such as phones, furniture, computers, etc. However, rent should not start until those personal property items that have been included in the General Services Administration's general construction contract, such as telephone and data systems or audio/video systems, are operational unless the Tenant chooses to move into the space pursuant to the preceding paragraph.

Tenant Agency Move

In the event the space covered by this OA involves a tenant agency move, once a design and construction schedule has been established it must be incorporated into this OA. Once part of this OA, the schedule becomes binding upon the tenant agency as well as upon PBS. Delay in project completion caused by either a) tenant agency failure to meet the review and approval times provided in the construction schedule, or b) tenant changes to project scope, will be borne by the tenant agency. As a consequence of tenant-caused delay, PBS may decline to postpone the scheduled substantial completion date (thereby advancing Rent commencement for the space) by the duration of the tenant-caused delay, on a day-to-day basis; this may result in rent charges at two locations simultaneously for the tenant. Additional direct expenses caused through tenant-caused delay or changes in project scope are chargeable against the tenant allowance; in the event the tenant allowance has been exhausted, the tenant must pay the lump sum cost by RWA. In summary, the tenant is responsible for the delay claim of the affected contractor and for rent that GSA budgeted to start on the date included in the Occupancy Agreement. If partial occupancy of the building is

OA #: AVA09142 OA Status: Draft Version: 4 Loc Code: VA0907ZZ

not possible due to one agency change, that agency is liable for the other tenant's rent who are unable to occupy their space on the date contained in their Occupancy Agreement. The rent start date should be adjusted for delay of occupancy caused by PBS failing to deliver the real property on time. The rent start date should not be adjusted for delay of occupancy caused by a GSA contractor failing to install personal property on time with one exception. For those personal property items that have been included in the general construction contract, such as telephone and data systems, or audio/video systems, and the systems are not ready, the rent start date should be adjusted. Delayed furniture delivery and installation, which is not part of the general construction contract, is not reason for delaying the rent start date. In its role as building owner, PBS may also be the cause of delay. Expenses associated with PBS-caused delay incurred by the tenant, for such things as additional storage for furniture, re-procurement expense, or additional consulting fees, will be credited against the tenant's rent obligation to PBS for the new space. In the case of excusable delay (e.g., force majeure or any other delay the cause of which is beyond the reasonable control of either PBS or the tenant agency), neither PBS nor the tenant agency may pursue the other for the consequences of the delay.

Occupancy Agreement Iterations

The parties hereby agree that iterations of OAs prepared before completion of a building design, and before final security/joint use charges are provided, contain preliminary financial terms only. Financial terms in preliminary OAs are estimates for budgeting purposes, and are updated through additional OA versions as business terms evolve throughout the space acquisition. Accordingly, execution by the tenant agency on preliminary OAs constitutes that agency's commitment to the project, and is required prior to PBS awarding any contract for: design, construction/alterations, and/or a lease. Until site purchase or contract award to a design architect, the tenant agency has the right to cancel the proposed project without financial obligation.

PBS Services

The services that PBS provides may be found in the fifth edition of the Pricing Desk Guide. Unless PBS provides otherwise in writing, the cost of these services is included in PBS's rents and fees. Any services beyond those identified in the Pricing Desk Guide are provided by PBS for an additional charge.

Alterations by Tenant Agency

The tenant agency agrees that it will undertake no alterations to the real property governed by this OA without prior approval from PBS.

Payment of Tenant Improvements

The tenant agency must pay for tenant improvements in excess of the allowance by RWA. The tenant agency also has the right to pay lump sum for tenant improvements below the allowance threshold. The ability to make lump sum payments below the allowance threshold is only available at assignment inception, and only for the customization component of the allowance in new space. In backfill or relet space, if the tenant can accept existing tenant improvements "as is" or with modifications, the tenant can elect to waive all or part of the general allowance. Further, once the tenant allowance is set, if the agency then wishes to make a lump sum payment for improvements which are charged against the allowance, PBS cannot accept payments below the allowance threshold by RWA.

Move Cost Responsibilities

At the end of this OA term, if the tenant cannot remain in the space covered by this OA, the tenant is responsible for funding the physical move to new space. In the event PBS displaces or allows another user to displace the tenant before the expiration of the OA term, PBS must fund, or require the new user to fund, the tenant's physical move, and relocation of the tenant's telecommunications equipment. PBS must also reimburse, or require the new user to reimburse, the tenant for the undepreciated value of any lump sum payments the tenant made toward tenant improvements and the Rent differential at the new location until the displaced agency has time to budget. The Rent differential is calculated on all elements of Rent except the amortized tenant improvement cost. In the event of a PBS disposal of a building or an approved prospectus project requiring the agency relocation from this space before the expiration of the OA term,

OA #: AVA09142 OA Status: Draft Version: 4 Loc Code: VA0907ZZ

PBS will fund tenant agency move costs unless PBS has provided 3 years' written notice of the action. In the event PBS provides 3 years' written notice, the agency is responsible for funding the physical move to new space.

Replacement Responsibilities

The parties agree that PBS is amortizing through a specific charge in Rent the portion of the tenant improvement allowance the tenant elects to use. The tenant has funding responsibility for replacement, renewal or alteration of tenant improvements. PBS is responsible for replacement and renewal of all building shell elements.

Environmental and Safety Standards and Regulations

The tenant agency will comply with all applicable Federal, State, and local environmental, health & safety laws and regulations, such as but not limited to those issued by the U.S. Environmental Protection Agency (EPA) under Title 40 of the Code of Federal Regulations (CFR); the U.S. Occupational Safety and Health Administration (OSHA) under Title 29 of the CFR; the Federal Management Regulation sections that relate to safety and environmental management (41 CFR part 102-80, subpart B); and all applicable laws and regulations set by State and local regulatory agencies.

OA Renewal

In the event of a continued occupancy after expiration with no additional space and with no additional tenant improvements provided, the tenant agency will be financially responsible for an extension of this agreement at the market rates in place at the time of the expiration. The rates and term of the extension will be set according to the policy at the time of the extension. The tenant agency rights to relinquish space as specified in this OA remain in effect.

Other Mandatory Clauses**Security Services**

Beginning in FY 2005, payment for FPS provided Basic and Building Specific Operating Security will be made to the Federal Protective Service (FPS), Department of Homeland Security (DHS) and will be separate from rental payments to GSA (OMB Object Class 23.1). Charges for FPS provided security are determined by, and may be obtained from, FPS.

GSA Mandatory Clauses**Space Utilization for GSA Occupancy**

Tenant agency personnel in this space include federal employees and contractors. The utilization rate for this space will be USF/person. For instructions on how to count personnel, please refer to the GSA directive OAS P 7005.1 Internal Space Allocation, Design, and Management Policy

Regional Mandatory Clauses**Building Service Hours**

Core hours of building service hours will be from Monday through Friday with the exception of Federal Holidays. Services requested and provided outside of core hours are considered overtime and will be reimbursed to PBS by Reimbursable Work Authorization (RWA).

Optional Clauses**Ad Hoc Clauses****AVA09142 Purpose of the OA**

The purpose of this occupancy agreement (OA) is to commence billing for the Transition of the Outgoing President at One Potomac Yard (Building # VA0907) at 2777 Crystal Drive, Arlington, VA. The agency will occupy spaces for 4A (3,161 usf) and 6 (1,197 usf) and 50% of pantry space (120.5 USF) for a total of 4,478.50 usable on the 12th floor.

Hi Erik,

Hope you're well.

I'm reaching out to you as I was advised to send you a quote for Qty(15) (b) (5)

As today is Inauguration Day, the SEWP office is closed and we are unable to have these items approved on SEWP today.

I wanted to get a quote over to you so that you could see the configuration and pricing as those items will remain the same.

I will follow up with you tomorrow with a revised quote that will reflect an approved quote from our SEWP contract.

Thanks Kathy – answers below:

- Good to go on the mentioned blocks at One Potomac Yard.
- Yes, could we please purchase the 7 keyboards and mice for the workstations down here? No need for docking stations, I believe that we will be able to connect them via USB cabling.
- And yes, could we please use the 136 Woodbridge Address?

One small request – moving forward, could you guys use my (b) (6) email as opposed to my (b) (6)? Just want to be sure I don't miss anything!

Thanks,

/Beau --- a few quick follow up questions that I'd like to see if we can move forward on:

1. Approval of SF for space at One Potomac Yard for the correspondence office so we can move forward with cabling.
2. Wanted to see if you wanted to purchase keyboards, docking stations, mouse instead of borrowing and then needing to return for the 5 laptops and monitors you are purchasing.
3. We can't use a personal address for shipping --- do you want us to ship to 136 Woodbridge since (b) (5) will be there?

Thank you, Kathy

To Whom It May Concern,

The Donald J. Trump Transition Team is requesting direct payment to transition team employee, NICHOLAS LUNA, using the direct deposit information on file for this employee.

This request for direct payment is for previously incurred expenses for specialty office supplies. The receipt for the supplies purchased is attached.

As a designee of the Outgoing President for approving spending against the Presidential Transition Appropriation in the Memorandum of Understanding between GSA and the Office of the Outgoing President, I authorize this direct payment.

We request that GSA provide the amount of the allowable direct payment for our records.

Thanks,

Mr. William B. Harrison
1100 S. Ocean Blvd.
Palm Beach, FL 33480

Dear Mr. Harrison,

The General Services Administration (GSA) has reviewed the request for direct payment to a transition team employee for previously incurred expenses for specialty office supplies. GSA has also reviewed the receipts associated with the purchase.

Based on this evaluation, GSA has determined that the allowable amount of the direct payment for this activity is \$74.89. Documentation supporting this calculation is attached.

I have verified that you are a designee of the Donald J. Trump Transition Team for the purpose of authorizing spending against the Presidential Transition Appropriation. As the GSA approving official for this activity, I will approve GSA's direct payment to Nicholas Luna in this amount for processing.

Thank you,

Kathleen K. Geisler
Director
Outgoing Transition

Good morning Beau,

Per our discussion yesterday we have reached out to CORT regarding the request of a partial return of the furniture. They don't see a problem picking up next Friday March 12th and would need an exact quantity of items before the end of business this Friday March 5, 2021 for scheduling and quoting purposes. We will also need the details related to access onto the property as well as a point of contact for that day to provide to the drivers.

Items needed and/or confirmed

Quantity & Description (i.e. 5 desks, 2 chairs)

Point of contact for pick up date (name & phone #)

Property access instructions and/or restrictions

Pick up date confirmed (Tentative date of March 12th)

Please note there will be a \$250 pick up fee and the revised rental agreement prices will be adjusted based on the quantity of items to remain with a current contract expiration of July 20, 2021.

Please let me know if you have any questions or concerns.
