COMMITTEE RESOLUTION

ALTERATION
FIRE PROTECTION AND LIFE SAFETY PROGRAM
VARIOUS BUILDINGS
PPF-0001-MU23

Resolved by the Committee on Transportation and Infrastructure of the U.S. House of Representatives, that pursuant to 40 U.S.C. §3307, appropriations are authorized for repair and alterations to upgrade, replace, and improve fire protection systems and life safety features in buildings under the jurisdiction, custody, and control of the General Services Administration during fiscal year 2023 at a total cost of \$30,000,000, a prospectus for which is attached to and included in this resolution.

Provided, that the General Services Administration shall not delegate to any other agency the authority granted by this resolution.

Provided further, not later than 30 calendar days after the date on which a request from the Chair or Ranking Member of the Committee on Transportation and Infrastructure of the House of Representatives is received by the Administrator of the General Services, the Administrator shall provide such Member a response in writing that provides any information requested regarding the program.

Provided, that the Administrator of General Services shall aim to achieve net zero carbon buildings, if determined by the Administrator to be practical and cost-effective.
