11. **OPERATING COST:** Pursuant to Paragraph 4.3, "Operating Costs", the base rate for purposes of operating cost escalation is established at \$328,103.36 per annum, or \$4.16 per rentable square foot per annum.
12. **ADJUSTMENT FOR VACANT PREMISES:** Pursuant to Paragraph 4.4, "Adjustment for Vacant Premises", in the event of the Government vacating in whole or in part prior to lease expiration, the rental will be reduced by \$2.50 per rentable square foot per annum for operating expenses. The Government has the right, but not the obligation, to accept cost or pricing data as described in GSA Form 3517 in lieu of a competitive price proposal.
 - B. Failure to submit these budget and price proposals referenced above will constitute Lessor delay. In the event that either the budget proposal or price proposal exceeds the Tenant Improvement Allowance specified in the Lease, then the construction schedule shall be revised to afford the Government sufficient time to review and resolve the difference.
 - C. The construction schedule required in Paragraph 5.9 (F), "Construction of Tenant Improvements," of the SFO shall also include adequate time for additional review by the Government of revised design intent drawings and Working Drawings/Construction Drawings. All references to "working days" in Paragraph 5.9, "Construction Schedule and Acceptance of Tenant Improvements" of the SFO shall not include the period from December 15 through January 1 of any calendar year.
 - D.  - B. Any items that have been identified at the acceptance of the space as punchlist items to be completed or corrected and which do not affect beneficial occupancy shall be completed by the Lessor within 30 calendar days of acceptance.
 - C. Neither the Government's acceptance of the Premises for occupancy or acceptance of related appurtenances, nor the Government's occupancy of the Premises, shall be construed as a waiver of any requirement or right of the Government under this lease, or as otherwise prejudicing the Government with respect to any such requirement or right, or as an acceptance of any latent defect or condition.

 - A. Building Systems: As part of its obligations under SFO, Paragraph 8.2 "Building Systems," of the SFO, the Lessor shall furnish at no cost to the Government a required building system report prior to the Government's occupancy of the Premises.

The Government may, at its sole option, abandon property in the leased space following expiration of the Lease, in which case the property will become the property of the Lessor and the Government will be relieved of any liability in connection therewith.
