

Welcome to GSA Fleet's Desktop Workshop

Audio: Everyone is automatically muted. Listen via your computer audio if possible.

Presentation & Certificate: You can download a copy of the presentation at <https://www.gsa.gov/gsa-fleet-training>

Additionally, a copy of the presentation along with a certificate will be emailed after the session.

Questions: Use the Q&A window to ask questions at any time. You may get a typed response or it may be answered aloud at the end of the presentation.

Recorded: The session will be recorded.

Recordings of GSA Fleet Desktop Workshops are available at: <http://bit.ly/DtWRecordings>

Desktop Workshop

GSAFleet.gov Quarterly Updates

You can download a copy of this presentation at: <https://www.gsa.gov/gsa-fleet-training>

Presented by: The GSAFleet.gov Team

June 2024

We are moving from this...

To this...

A single platform that will consolidate, modernize, and improve how YOU buy, lease, rent, and manage GSA leased and agency-owned vehicles.

What can you do in GSAFleet.gov?

Leasing customers can

Manage Recalls

- View and manage any safety recalls on your vehicles with our Vehicle Recalls page

Run and Schedule Reports

- Download and schedule reports, including a Customized Inventory Report for your leased vehicles

Report Preventative Maintenance

- When you get an oil change, report it on our preventative maintenance page

Leasing customers can

Provide Customer Driven Data

- Ability to edit your CDD on the Vehicle Details page

Record TAS in Wallet

- When you get an oil change, report it on our preventative maintenance page

Leasing customers can

View Leasing Accounts

- See what groups of vehicles are associated with your accounts

Organize Offices

- For our Customer Administrators:
 - Manage how your offices are structured within GSAFleet.gov

Leasing customers can

Submit Modification Requests

- Easily make your requests for vehicle modifications in [GSAFleet.gov](https://www.gsa.gov/transaction/gsa-fleet)

Comment on Federal Vehicle Standards

- Customers can see our vehicle standards per vehicle type and submit comments
- Open to the public during open commenting periods

Agencies that own their vehicles can

- Acknowledge vehicle receipt
- Register vehicles
- Manage license plate orders
- Create motor pools and dispatch vehicles to drivers
- Edit Customer Driven Data
- Export reports
- Report mileage for agency owned vehicles
- Report maintenance and expenses
- Record Treasury Account Symbol (TAS) in Wallet for purchasing BOACs

Agencies that own their vehicles can

GSA Fleet Store

We provide safe, reliable, low-cost vehicle solutions for federal agencies, eligible entities and tribal nations. Our suite of offerings include vehicle purchasing, vehicle leasing and short-term rentals.

What would you like to do today?

Select from one of the GSA Fleet Offerings to begin your task:

Manage requisitions and orders

View, track, and manage your existing vehicle requisitions and orders. Provide and check order status, view reports, and acknowledge receipt of delivered vehicles.

Purchase vehicles

Create requisitions and place orders to buy vehicles for your agency. GSA Fleet offers a wide variety of vehicles, configurations, and options for purchase to meet a wide range of mission requirements.

Agencies that own their vehicles can

- **Two new user roles improve the review and submission process:**

Agency Submitter

create and submit requisitions
for approval

Agency Approver

create, manage, approve and
submit requisitions

- **Customer Administrators will assign these roles for your agency users**
 - Please contact your Customer Administrator to be assigned either the Submitter or Approver role.
 - Your Customer Administrator is the manager listed under your GSAFleet.gov profile.

All GSAFleet.gov users can

- All [GSAFleet.gov](https://gsafleet.gov) users can browse vehicle configurations

Search by Type

Search by Type

- Sedans and Station Wagons
- Police Use Vehicles - Sedans

Appointment Confirmation/Rescheduling

- Appointment confirmation emails will be sent to both the customer POC and the driver (if different).
- Customers can modify appointments by clicking on the "Edit Appointment" option provided in the confirmation email.
 - This link will remain active for 72 hours following the scheduling of the appointment.
 - If changes are needed after this time, customers will need to contact their FSR or the marshalling site to reschedule.

Customers **MUST** schedule an appointment to be able to pick up a vehicle.

Upcoming for Vehicle Purchasing

Report Download Feature

- GSAFleet.gov Users will be able to Filter and Download Data For:
 - Requisition (Pre-Award) - e.g. Draft or Approval Status
 - Order (Post-Award) - e.g. Order Vehicle Status, Analysis
- Unique versions for Customers, Suppliers, Internal GSA Fleet users
- Sent via email, download to Excel format
- Coming soon!

Non Standards Vehicle Ordering

- Non-SOP ordering for specialized vehicles
- Workflow integration with Fleet Engineering & Contracting
- To be released this summer.
