NOVATION AGREEMENT

The SVT Sawgrass Building B, LP (Transferor), a Delaware limited partnership duly organized and existing under the laws of Connecticut with its principal office in Florida; the Sawgrass Commerce Center Property Owner, LLC (Transferee), duly organized and existing under the laws of Florida with its principal office in Florida; and the United States of America (Government) enter into this Agreement as of May 22, 2018.

(a) The parties agree to the following facts:

(1) The Government, represented by various Contracting Officers of the General Services Administration, has entered into that certain lease with the Transferor, namely GS-04P-LFL62640. The term "Lease," as used in this Agreement, means the above described lease, including all modifications, made between the Government and the Transferor or its predecessor before the effective date of this Agreement (whether or not performance and payment have been completed and releases executed if the Government or the Transferor has any remaining rights, duties, or obligations under the Lease). Included in the term "Lease" are also all modifications made under the terms and conditions of the Lease between the Government and the Transferee, on or after the effective date of this Agreement.

(2) As of 5/22/18, the Transferor has transferred to the Transferee all the assets of the Transferor involved in performing its obligations under the Lease by virtue of a SPECIAL WARRANTY DEED between the Transferor and the Transferee.

(3) The Transferee has acquired all the assets of the Transferor involved in performing the Lease by virtue of the above transfer.

(4) The Transferee has assumed all obligations and liabilities of the Transferor under the Lease by virtue of the above transfer.

(5) The Transferee is in a position to fully perform all obligations that may exist under the Lease.

(6) It is consistent with the Government's interest to recognize the Transferee as the successor party to the Lease.

(7) Evidence of the above transfer has been filed with the Government.

(8) Transferor and Transferee represent that the transfer has been properly effected and agree that the Government may rely on this representation.

(9) Transferee will abide by Clause 52.209-6 Protecting the Government's Interest When Subcontracting with Contractors Debarred, Suspended, or Proposed for Debarment, contained within the Lease.

(b) In consideration of these facts, the parties agree that by this Agreement—

(1) The Transferor confirms the transfer to the Transferee, and waives any claims and rights against the Government that it now has or may have in the future in connection with the Lease.

(2) The Transferee agrees to be bound by and to perform the Lease in accordance with the conditions contained in the Lease. The Transferee also assumes all obligations and liabilities of, and all claims against, the Transferor under the Lease as if the Transferee were the original party to the Lease.

(3) The Transferee is bound by all previous actions taken by the Transferor with respect to the Lease, with the same force and effect as if the action had been taken by the Transferee.

(4) The Government recognizes the Transferee as the Transferor's successor in interest in and to the Lease. The Transferee by this Agreement becomes entitled to all rights, titles, and interests of the Transferor in and to the Lease as if the Transferee were the original party to the Lease. Following the effective date of this Agreement, the term "Lessor," as used in the Lease, shall refer to the Transferee.

(5) Except as expressly provided in this Agreement, nothing in it shall be construed as a waiver of any rights of the Government against the Transferor.

(6) All payments and reimbursements previously made by the Government to the Transferor, and all other previous actions taken by the Government under the Lease, shall be considered to have discharged those parts of the Government's obligations under the contracts. All payments and reimbursements made by the Government after the date of this Agreement in the name of or to the Transferor shall have the same force and effect as if made to the Transferee, and shall constitute a complete discharge of the Government's obligations under the Lease, to the extent of the amounts paid or reimbursed.

(a) The Transferor guarantees payment of all liabilities and the performance of all obligations that the Transferee—

- (i) Assumes under this Agreement; or
- (ii) May undertake in the future should these contracts be modified under their terms and conditions. The Transferor waives notice of, and consents to, any such future modifications
