 - (f) All rights, reservations of rights, privileges and the like specified in, described by, or contemplated by this Lease.
7. IN REFERENCE TO BUILDOUT AND DELIVERY of the Leased Premises, the Lessor agrees to the following:
- (a) In no event shall the Leased Premises be deemed to be ready for occupancy unless the same shall comply fully with all provisions of this Lease, including, but not limited to, the substantial completion of all improvements, requirements and construction in accordance with the specifications contained in this Lease, the SFO and the Approved Government Layout Drawings as referenced in Paragraph 6 above and all documents referenced in such SFO and this lease.
 - (b) The phrase "substantial completion" (or "substantially complete") shall mean that all work necessary to deliver the Leased Premises in accordance with each and every requirement and specification of this Lease, and all other appurtenant things necessary for the Government's access to the Leased Premises and the full occupancy, possession, use and enjoyment thereof, shall have been completed or obtained, including, without limitation, all required reviews, approvals, consents and permits (including a final certificate of occupancy for the entirety of the Lease Premises allowing occupancy for each of the uses described in and by this Lease), excepting only such minor matters as do not interfere with or diminish such access, occupancy, possession, use or enjoyment. Further, as Lessor is aware, the security of the Leased Premises is of paramount concern to the Government and in no event will the Leased Premises be deemed "substantially complete" or ready for occupancy unless the security system for the Leased Premises is fully operational, as determined by the Contracting Officer.
 - (c) The Lessor hereby agrees that, as regards delivery of the Leased Premises to the Government ready for occupancy (hereinafter, "Delivery"):
 - (i) Time is of the essence.
 - (ii) Lessor shall effect Delivery of the Leased Premises within 120 working days after the Contracting Officer has issued the Notice to Proceed for the Tenant Improvements (hereinafter the "Delivery Date").
 - (iii) Except with regard to such "Punch List" items as may be identified in the Acceptance Notice as defined in Paragraph 7(c)(v) hereof, it is a condition precedent to Delivery that all construction required under this Lease shall be substantially complete and comply with the requirements of FAR 52.246.12 and 21 and GSAR 552.246-72 (hereinafter, the "Regulations"), attached hereto and by this reference made a part hereof, and all drawings, plans and specifications referenced in Paragraph 6 and that the Leased Premises otherwise fully comply with the requirements of this Lease.

Unless the Contracting Officer determines that the Leased Premises are not ready for inspection, not more than ten (10) calendar days following the Proposed Readiness Date, the Government shall commence inspection of all construction required under this Lease for compliance with the Regulations, the plans and all terms and conditions of this Lease (hereinafter, the "Compliance Inspection").
 - (v) It is a further condition precedent to Delivery hereunder that a satisfactory Compliance Inspection shall have been completed by the Government, and the Contracting Officer shall have delivered to the Lessor, written notice of the Government's acceptance of the Leased Premises as ready for occupancy (an "Acceptance Notice"), together with a Punch List or lists as contemplated in Paragraph 7(d) below, if applicable.
 - (vi) Lessor's failure to deliver the entire Leased Premises substantially complete and ready for occupancy, as defined in this Paragraph 7, on the Delivery Date, shall be deemed to be an event of default pursuant to the Default in Delivery clause of this Lease, Paragraph 11 of GSA Form 3517, General Clauses of this Lease (the "General" Clauses"), attached hereto and by this reference made a part hereof.

(vii) Government acceptance of the Leased Premises pursuant to the Compliance Inspection is an acknowledgment of the completion of the work inspected, but is not acceptance of conditions which cannot be fairly discovered until after the Government takes full operational occupancy, an acceptance of latent defects, a waiver of on-going compliance with performance-based specifications, standards and requirements, or a certification of compliance with laws, regulations or other approvals or requirements. Lessor shall remain fully responsible for all of these, and shall correct any conditions at its sole cost and expense upon written notice from the Government.

(viii) Government review of Lessor-prepared and submitted construction drawings and subsequent comments on same, does not constitute a deviation from any provision, condition or requirement of this Lease unless specifically identified as such in writing by the Contracting Officer.

(d) If the Government accepts the Leased Premises as ready for occupancy and the Leased Premises are substantially complete but not fully complete, then the Government will provide to the Lessor after the Compliance Inspection a Punch List of Items remaining to be completed for all interior spaces in the Building (the "Interior Punch List Items"). Lessor and the Government agree that in the event that the Interior Punch List Items have not been completed within 30 days after the date the Government deems the Leased Premises ready for occupancy, the Government shall have the right to withhold from payments of rent due a sum of money equal to one and one-half times the estimated cost of completion of the outstanding interior Punch List Items. Upon completion of the Interior Punch List Items, any sums retained by the Government to cover the Interior Punch List Items shall be promptly paid to the Lessor. If Interior Punch List Items are not fully completed within 120 days after the date the Government deems the Leased Premises ready for occupancy, the Government may exercise its rights under Paragraph 15 of the General Clauses of the Lease and may avail itself of any other remedy available to the Government at law or in equity.

(e) Lessor shall promptly notify the Government Contracting Officer of any inconsistency among or between any of the documents referenced herein, and the Contracting Officer shall promptly determine which shall control.

8. **FREE RENT AND BROKERAGE COMMISSION:** In accordance with paragraph 2.3 of the SFO, "Broker Commission and Commission Credit", CBRE ("CBRE") is the authorized real estate broker representing GSA in connection with this lease transaction. The Lessor and CBRE have agreed to a cooperating lease commission of [REDACTED] of the firm term value of this lease ("Commission"). The total amount of the Commission is [REDACTED]. In accordance with the "Broker Commission and Commission Credit" paragraph of the SFO, CBRE has agreed to forego [REDACTED] of the Commission that it is entitled to receive in connection with this lease transaction ("Commission Credit"). The Commission Credit is [REDACTED] to be paid upon lease commencement and the remaining [REDACTED] will be paid to CBRE upon lease execution.

The shell rental portion of the annual rental payments (\$21.93 per BOASF x 4,079 BOASF = \$89,452.47 or \$7,454.37 per month) due and owing under Paragraph 5 of this lease shall be reduced to fully recapture this Commission Credit. The total reduction in shell rent related to the commission credit is [REDACTED] and shall commence with the first month of the rental payment and continue through the second month of the lease term as indicated in the following schedule of adjusted Monthly Rent:

- First Month's Rental Payment of \$13,076.59 minus prorated Commission Credit of [REDACTED] equals [REDACTED] adjusted First Month's Rent
- Second Month's Rental Payment of \$13,076.59 minus prorated Commission Credit of [REDACTED] equals [REDACTED] adjusted Second Month's Rent

9. **THE GOVERNMENT SHALL HAVE THE RIGHT** but not the obligation, at its sole option and expense, to remove at any time during the term of this Lease any special equipment installed by Lessor for which Lessor was directly reimbursed by the Government as referenced above, unless such item is a fixture integral to the operation of the Building; in no event shall the following be considered fixtures integral to the operation of the Building: roof antenna(e) and/or dishes, security cameras and monitors.

10. **THE GOVERNMENT AT ITS OWN EXPENSE** shall be responsible for providing and installing telecommunications, computer cable, conventional furniture, systems furniture and certain special equipment prior to acceptance and occupancy of the Leased Premises. Outside contractors may be hired by the Government to perform this work. The Lessor shall allow early access to the Leased Premises as needed to inspect, measure, deliver and install such furniture, components, infrastructure and/or equipment at no cost or expense to the Government or its contractors. Lessor shall provide advance construction scheduling which shall allow sufficient time for successful completion of the work or installation of furniture, components infrastructure and/or equipment. Lessor shall work closely with the Government and Government contractors to coordinate scheduling of such work or installation at the appropriate stage(s) of construction. In no event shall any such early entry or access be deemed to be an acceptance of the space or the work performed at that point, nor shall any such early entry or access be deemed to in any way to have accelerated the Commencement Date for any purpose.
