- C. The Government agrees to the total Tenant Improvement build-out costs, including Change Orders Number 2, 10, 20, 21 is \$1,064,449.74.

The rent shall be adjusted downward if the Government does not utilize the entire Tenant Improvement Allowance of \$1,167,129.48 or \$51.06 per ABOA SF, which is included in the rent, using the 5% amortization rate over fifteen (15) years. The Government, at its election, may pay lump sum for the Tenant Improvements. If this occurs, the rent shall be reduced proportionately using the 5% amortization rate.

If the Government spends more than the allowance identified above, the Government reserves the right to 1) reduce the Tenant Improvement requirements, 2) pay lump sum for the overage upon completion and acceptance of the improvements, or 3) increase rent according to the negotiated amortization rate over the firm term of the lease.
