Buyers

Prepare an Online Request For Quote (RFQ)

Step 1. Assign Category & Select Vendors

Instructions: In order to identify vendors who supply the products or services you are looking for, you must first find the product or service category that best matches your requirement. To do this, simply enter keywords that describe what you are looking for in the "Search" box. When entering keywords use general terms. The search results will provide the categories that match your search criteria. Vendors listed under the category(s) selected will have access to your RFQ or RFP, and may quote (certain exceptions for some GWACs).

GSA GWAC contract vehicles have been added to e-Buy. These contract vehicles provide high quality, state-of-the-art, total integrated solutions for your IT requirements. GWACs have competition requirements that differ from MAS contracts and a delegation of authority is required prior to their use. For more details about GWACs, visit the [GSA Governmentwide Acquisition Contracts \(GWACs\)](#) website.

For a complete listing of multiple award schedules or GWACs, click on the links below.

Search:

Instructions: Listed below are your active RFQs. To review specific RFQ activity, click on the "RFQ ID".

Note: Click on the column header to sort.

RFQ ID	RFQ Title	Status	Close Date	Responses Received
RFQ76253	Guard Services	Closed	06/20/2007 11:00:00 AM EDT	2
RFQ76252	Guard Services	Closed	06/19/2007 03:00:00 PM EDT	5

Instructions: To view a quote, click on the "Quote ID". Quotes may be reviewed prior to the closing date, but no award can be made. Please try to evaluate and respond to each quote within 15 days of the RFQ closing.

To send the RFQ to another person, click on "Forward RFQ". If you have finished responding to the quotes, you can move the RFQ from the "Active" folder by selecting "Move To RFQ History". If the RFQ has "Closed", you may repost the RFQ by selecting "Re-Issue RFQ". You may view the attachments by clicking on them.
