

FedFleet 2024

Supply Chain/ Cyber Industry Panel

Len Fedoruk - GSA Fleet
Purchase Director & Moderator

 www.gsa.gov/FedFleet

Our panelists are:

Kevin Tierney - Vice President, Global Cybersecurity - General Motors

William Mazzara, Cybersecurity Principal Engineer - Stellantis, NA

Faye Francy, Executive Director - Auto-ISAC

Mike Westra, Director, Connected Vehicle Cyber Security Director -
The Ford Motor Company

Brennan Conaway, Branch Chief - Office of Policy & Compliance at
GSA

Our Panel will discuss the following:

1

What actions is your organization or association taking to ensure that supply chains are robust, secure & able to perform?

3

IF You were “King of the Supply & Cyber World,” what 3 primary actions would you take for securing supply lines & cyber protection systems as well?

2

What are some of the concerns that keep You and your organization UP at night?

4

What actions & support can the Government provide to your organization or association to facilitate these 3 primary actions?
