

# Light Duty Vehicle Industry Panel

Len Fedoruk - GSA Fleet  
Purchase Director & Moderator

# Our panelists are:

Gilbert Castillo, Director of Regulatory Compliance - Hyundai Motor North America

Gregory Wood, General Manager of Commercial & Government Sales - The Ford Motor Company

Philip Bockhorn, Director of Government Fleet Sales & Operations - Stellantis, N.A.

Micah Kern, Senior Manager of Sales Operations, SVM & Government Sales - GM Envolve

# Our panel will discuss the following:

1

What actions is your organization taking to ensure that your supply chains can timely deliver vehicle products & services to the Federal Government?

3

What kind of new products & services can we expect for our operations in North America, Europe & the Asia-Pacific regions?

2

What are some of the concerns that keep You and your organization UP at night?

4

Is your organization prepared to meet the electrification mandates for 2027 & 2030? What actions & support can the Government provide to your organization to facilitate this transition?
