## Repair & Alterations IDIQ

- Neal Deodhar  
Contracting Officer  
Capital and Customer Projects Branch
- Joseph Daniero  
Procurement Analyst  
Repair and Alterations Branch

- 
- What is an IDIQ?
  - Indefinite Delivery Indefinite Quantity Contract
    - Umbrella Contract under which task orders are placed (no set amount in terms of number of orders or value)
    - Can be one or multiple contractors
    - Orders to the contractors are placed pursuant to ordering procedures established in the IDIQ contract

## Customer Projects (Regionwide) R&A IDIQ

- 25 Contractors
- Set aside for small businesses
- 6 zones - one for each state in the region (IL, IN, MI, MN, OH, WI)
- Each contractor's IDIQ contract includes at least one and up to all six zones
- Duration: 1 base year and 4 option years
- \$7m annual maximum per contract
- Individual orders have ranged from \$25K to \$3m

- IDIQ Procurement Process

- SAM.gov Where opportunities are posted

- Solicitation - includes a scope of work, description of evaluation factors, contractual terms (Agreement) and forms.
    - Evaluation Factors - considered in determining best value to the Government.

- Price (line item prices for specific SOWs, OH & P)

- Past performance (references for completed projects)

- Experience (completed projects)

- Key Personnel (Project Managers, Superintendents)

## Post Award -Ordering Procedures

- A request for quote (RFQ) is typically shared with the IDIQ contractors whose contract includes the zone where the work will occur.
- Award for a task order is made based on factors established in the RFQ (price, past performance, etc.)

## Upcoming Opportunity

Moving from multiple R&A IDIQs to One IDIQ for the Region

IDIQ structure will include zones
